Wordwise newsletter

March 2021

Shop reopening

Non-essential shops will not be able to reopen until at least April 12th. We are making plans to reopen on that date (unless it is further delayed by the government).

Full details will be given in the April newsletter and on our website and facebook page.

Mothering Sunday and Easter

We have a good supply of cards. We can deliver these or arrange for you to do a 'Click and Collect' from the shop. Please phone 07902 521518 for further information.

The Real Easter Egg

These are fair-trade Easter Eggs with a small book on the Easter story for children. We are able to offer them at last year's price of £4.00.

We have to be careful about the level of stock we can have of these while the shop is shut, so we will only supply them to order. It would be helpful if orders could be received by March 8th. We will try to fulfil any orders after that date, but these cannot be guaranteed.

John Stott centenary

This year marks the 100th anniversary of John Stott's birth. To mark the occasion many of his books are being reprinted in April. These can be ordered from Wordwise.

Mail order and Delivery

We are still doing a delivery service in the local area and mail order.

'Click and Collect'

We are also able to do 'click and collect'. Please let us know what you want and we will arrange a convenient time for you to pick it up from the shop doorway. There will be someone available at the shop on Tuesday and Thursday mornings in March from 10.30am to 12 noon. Please phone 07902 521518 to place orders.
